

smartCRUTCH™

The freedom to move

INFORMATION ABOUT OUR DROPSHIPPING OPTIONS:

You may purchase and sell Smartcrutches to your clients that need them on the spot when they are in your practice. This is done using your account on the Smartcrutches website.

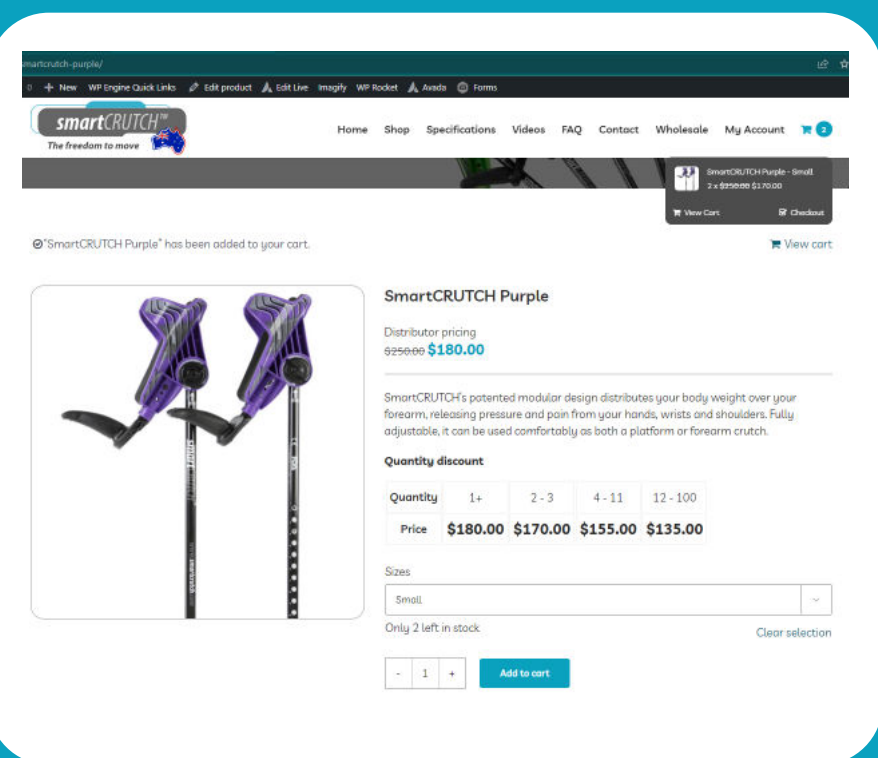

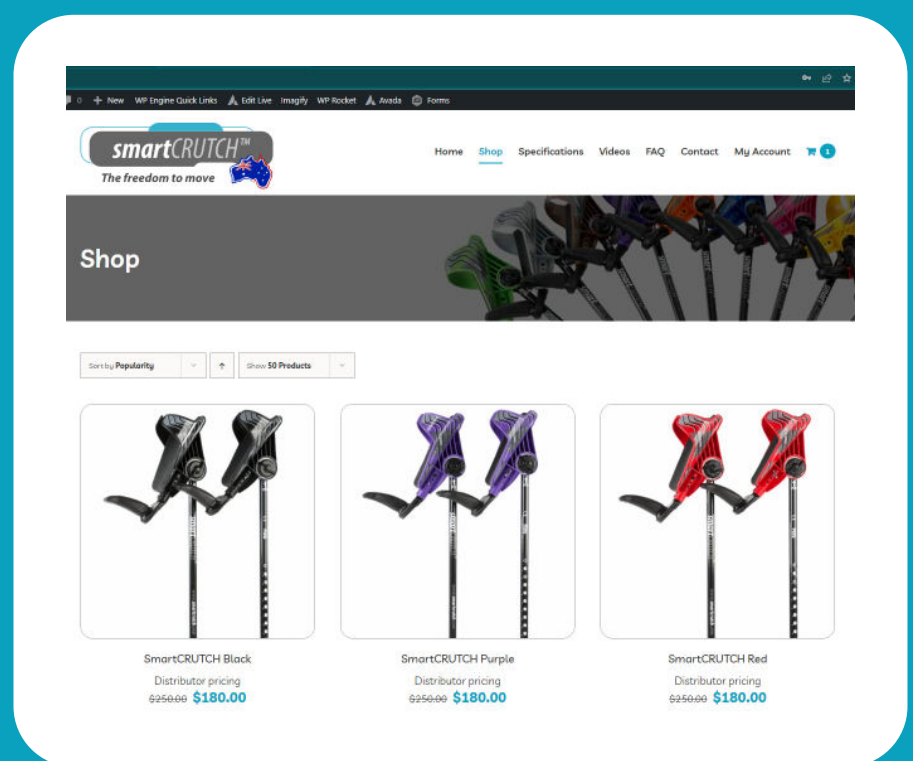

01

Go to <https://smartcrutches.com.au/wholesale-login/>, then select the sub-menu "Login" and enter your username and password to access the website as distributor.

02

Once you log in to the Smartcrutches website you should automatically see distributor pricing. You can select which item to see more details and options.

03

After choosing an item, you can have the option of quantity discount and choose what sizes you want then proceed to add to cart. All items will be reflected on your cart, then proceed to checkout.

04

On checkout, enter the client's details (full name and address etc) on the checkout page after ticking the box to "Ship to a different address". Once an order is placed and payment made, we will send them directly to your client. This aims to provide another option for you and your clients to make the process of obtaining what they need quicker and easier.
